Self-introduction

WANG Shang is a Ph.D. Student of Philosophy from the National Chengchi University (NCCU), Taiwan. He is currently writing a dissertation that focuses on the relation between the market economy and ethical life. His research interests include critical theory and contemporary political and social philosophy. He received his bachelor's degree from the Department of Philosophy and the Department of Law (double major) at NCCU and his master's degree from the Department of Philosophy at NCCU. His master's thesis was *Love and Solidarity: On the Normative Foundations of Personal Relationships*, written under the supervision of Prof. Dr. Lin Yuan-Tse.
